

# Flashpoints along the Shamanic Timeline – revised in 2015

Age	Timeline Cycles	Intent
7 - 9.5	1 <sup>st</sup> Saturn Square Nodal Reversal - 1 <sup>st</sup> Venus (8), Vesta (7), & Mercury (7) Return	A strong middle world activation including literal physical growth, Brain neuron-patterning more solidified.
11 - 12	1 <sup>st</sup> Jupiter and 2 <sup>nd</sup> Vesta Return	Time when the first visions of the future life as an adult may occur
13 - 16	Mercury Return age 13  Mars Return age 15  Saturn Opposition age 14-15  2 <sup>nd</sup> Venus Return age 16	<i>The Mars return of Age 2</i> (terrible two) is the impulse to individuate – age 15 Mars return for a boy incorporates the masculine archetype he is here to embody and for a girl is about experiencing a deep and powerful impression of the masculine archetype she is learning about <i>The first Saturn Opposition</i> - hormones are activated and another level of physical maturity is reached. <i>The first Venus return at age 8</i> does not include the hormonal changes of age 16 return and the Saturn Opposition. At age 16 we see the first fully embodied Venus activation of goddess archetype for girls and magical connection with feminine for boys.
18 - 22	1 <sup>st</sup> Nodal Return 18.6 to 19 Second Saturn Square 20-21 Uranus Square 21-22 Vesta Return age 18	First full alignment with original intent and the actual movement into adult life. Changes to structure typically graduating from College new job moving...Strong resume point
23 - 24	2nd Jupiter Return 3 <sup>rd</sup> Venus Return	Optimistic and progressive Implications unless dealing with other personal cycles. Experiencing another octave of the Archetypal Feminine Expression
27 - 30	Nodal Reversal 27-28 First Saturn Return 29-30 Closest Vesta Return (29)	A double Saturn influence with the Nodal Reversal and Saturn Return. This is another Strong Middle World Time representing maturation into True Adulthood and repolarization with life intent
31 - 33	Venus, Mars & Mercury Returns	This is when the orbits of Venus and Mars recalibrate near the same sign and degree near the Sun or Solar Return (birthday). Mercury Returns near the birthday.
36 - 38	Jupiter Return age 36 Nodal Return 37.3 to 38 Saturn Square age 37 Pluto Square is moveable	Jupiter, Saturn and Nodes are creating opportunity for expanding middle world structures that are aligned with one's destiny. Pluto is a transformational Underworld Cycle and an opportunity to die to who we believe ourselves to be so we can be reborn into a more authentic self-identity
40 - 42	Uranus and Neptune 5 <sup>th</sup> Venus Return (age 40) Mercury and Vesta Returns	These are double celestial generational cycles also linked with the so-called "mid-life crisis" cycles This tends to be one of the most powerfully dramatic Venus returns for further activating the essence of the Venus Archetype
43 - 46.5	Saturn opposition age 43 Mercury Return age 46 Nodal Reversal age 46.5	Another level of physical maturity reaches a higher octave similar to what happened between age 14-16. Powerful movement into a new phase of life. The most precise Mercury Return of Life plus 6 month Nodal Reversal begins at 46 <sup>th</sup> birthday
47 - 48	4 <sup>th</sup> Mars Return age 47 (closest at age 79) 4 <sup>th</sup> Jupiter Return age 47 6 <sup>th</sup> Venus Return age 48	Referred to as the years of the "triple jackpot" These return planets are at their greatest strength – recreating at a higher octave whatever the original aspects (predicament) are. This is opportunity to be empowered by the teachings of the planets aspecting the return planets. If there are no dynamic aspects then this is a more easily empowering time for integrating the archetypes of the Sacred Feminine and Masculine as well as a youthening phase
50 - 52	Chiron Return Saturn square Saturn Mercury Return Vesta Return age 51	These years represent the "return to zero point". By age 52 you have played all 52 cards in the deck and it's a reset point. Chiron Return is about healing synthesis Saturn Square is releasing the old structure, and setting up a new one. Mercury Return recalibrates perception, cognition and communication. This is a time for letting go what you think you know and being open to new possibilities
55 - 57	3 <sup>rd</sup> Nodal Return 7 <sup>th</sup> Venus Return age 56	This is a "double jack pot" that expands one's destiny and further activates the archetype of the feminine in alignment with original intent. Creative Time when doors open to support soul's purpose
58 - 60	2 <sup>nd</sup> Saturn Return 5 <sup>th</sup> Jupiter Return Mercury (59) Vesta Return (58)	Starting a whole new phase of life – if not living life purpose can feel old and finished Two "This" World planets working together. A great time to move into the life expression you came to live if not already or take it to higher octave if already doing it.
62- 64	Uranus Square Venus and Mars return	Uranus Square similar to age 20- 22 and opposition at 40-42. Venus and Mars return similar to age 32.
65 - 66	Saturn Square / Nodal Reversal	Another realignment with original intent and Saturn Square is higher octave of 36 to 37
72 - 73	Venus & Jupiter Return 3 <sup>rd</sup> Saturn opposition	Similar to age 24 only this time adding Saturn
74 - 76	4 <sup>th</sup> Nodal Return	Magic Window near the Saturn, Jupiter and Venus Return
79 - 80	Mars, Venus & Vesta Return	Similar to age 47 to 48 without the Jupiter Return
82 - 88	Uranus and Jupiter (7 <sup>th</sup> ) Return Neptune Opposition and 3 <sup>rd</sup> Saturn Return	This is a time for transcendent completion and activation of Celestial and Middle world Experiences
