

Celestial/Upper World Planets Uranus and Neptune

<p>Uranus Key Words</p> <p>Metal: Uranium Color: Electric Blue Sign: Aquarius</p>	<p>radical change or shattering of old assemblage points – freedom from the known - unique - unpredictable - spirit principle outside earth and water – innovative – inventive – individualistic- cutting edge – different from normal - freedom from the known – unexpected – unplannable – unknowable –uncontrollable – unpredictable - original – progressive – experimental – change artists – fair witness no judgment – acceptance – supreme detachment – outside the system – higher love - higher law - higher truth - universal equality – universal ideals – why be normal? – cosmic overview – synchronicity that directs our soul to where it intends to go – tower card in tarot stuck by lighting – true love is radical change – grace is bestowed when assemblage point shifts</p> <p>way too unpredictable and rebellious – erratic – unreliable – impractical – ungrounded – spiritual bypass – cold – detached – lacking personal, compassion, heart -</p>
<p>Complexes Add Aquarius</p>	<p>constantly changing assemblage points - attachment to anything can't last - can feel like whole life is 'at the effect of" external events beyond control – changes what we are attached to...by whatever means it takes –unexpected events teaching surrender and letting to – intended to break up holding patterns or crystallization – easiest when rolling with the flow – helps to give yourself permission to be unique – revolutionary – visionary – ahead of your time – different than everyone else – originality - independence</p>
<p>Transits Last about one year sometimes almost two years</p>	<p>intent to produce evolutionary change – changes the game – not a normal time – not in control – surrender - erratic, unusual behavior that aligns with life's purpose – unexpected events of extreme novelty - no idea what will happen before it happens – trust events will take you where you need to go – don't try to hang onto anything – change basic patterns for the novelty of it - can be wonderful or difficult, depending on what will produce change – resistance makes it more difficult – not a time to make things happen – no major decisions if possible until transit is over - though major decisions or changes are intended result –</p>
<p>Neptune Key Words</p> <p>Metal: Platinum Color: Blue Sign: Pisces</p>	<p>attuned to original visions and dreams on transcendent level - mystical and visionary - idealistic – intuitive – inner guidance - boundless – infinite - field of all possibilities -- vision quest - spiritual revelation – imagination – mystical relationship with life – universal love – compassion – god consciousness - mystery – love is real fuel and nectar of the universe - dreamtime</p> <p>illusions – addictions – passive – unrealistic – confusion - escapism – victim – phobias - hypersensitivity – ungrounded</p>
<p>Complexes add Pisces</p>	<p>objective reality looses familiar ground causing identity crisis and confusion – who am I, what is my purpose - give self permission to not know – lack of clarity is part of the process – best strategy don't try to figure it out – let go more and more, then never before thoughts can come through – continually expanding the awareness – sometimes vision comes in whole and other times it is one step leading to the next – meditation – creative visualization is a helpful practice – everything you believe is real...isn't.</p>
<p>Transits Last about a year and two thirds</p>	<p>the intent is to bring in new visions and dreams - an antidote for clarity, operates through confusion – be empty and see what comes in - realignment with original life dreams and dreams you haven't dared dream before - be as open and empty as possible - the beginning or middle of the cycle if visions or dreams occur, don't necessarily act on it, it is still in process, it may expand further, wait for the cycle to end before taking decisive action - as much as possible give yourself permission to enjoy the transcendent, the mystical - take time to go on a long meditation retreat, sabbatical, vision quest, walk-a-about or any activity that connects you to a vision beyond ordinary reality - mystical reality is real objective reality isn't real anymore – sense of being held by the heart of "Great Mystery"</p>
