

| "Real World" Middle World or This World Planets Saturn and Jupiter | |
|---|--|
| Jupiter Key Words | expansion – amplification – increase - quest - truth – knowledge – ethical values – broadminded – generosity – optimism – spirituality – teaching – travel – pilgrimage – adventure – philosophy – faith – benevolence – abundance – prosperity – good fortune – renewed or expanded vision – enthusiasm – praise – gratitude – |
| Metal: Tin Color: Violet Sign: Sagittarius | excessive – exaggerates – gluttony – over indulgence – inflation – hubris – too much - |
| Complexes | Jupiter is considered part of the progressive emerging aspects on the script - when located near a planet or an angle it is expanding that area of the chart in whatever expression or form it is manifesting. If fearful or constrained then that expands. If progressive and growth oriented then that expands. |
| Transits About a year or as long as Jupiter is in that sign | Jupiter expands in all directions making everything bigger - brings renewal or expansion of vision, understanding, knowledge, perspective – opportunities to expand into new territory – if depressed then more depressed – if enthusiastic then more enthusiastic – if fearful then more fearful – if courageous then more courageous – it helps to let go of what you do not want to expand in your life and to attend to what you do want to expand |
| Saturn Key Words | operating manual – the rules (associated with the ruling culture) - structural reality such as, time, stages of life, the law of cause and effect - ordinary karma – seasons, - humanity's law (morals, ethics, judgments) - structure and form – limit conditions – dharma - duty and responsibility – disciplined - focused - grounded – practical – managing – effective – efficient – productive – our own inner authority – redefining or restructuring your reality – feminine side of life - |
| Metal: Lead Color: Indigo Sign: Capricorn | restriction – depression – inertia – giving away authority – rigid – inhibited – pessimistic – lack of humor - fearful – controlling – irresponsible – stubborn – giving power to outside authority |
| Saturn Complex add Capricorn | Feeling not okay or fundamentally flawed from birth – not good enough – must prove one's self – guilt – atonement – original sin – driven – motivated – ambitious – high standards – must prove self to outside authority like God – perfectionist – but... <i>perfection itself isn't good enough – and perfection is insufficient to your liberation</i> – intelligence test – box canyon – some things simply aren't intended to work encouraging us to do something new and different – with Saturn hard work is an end in itself, it is about appreciating the path - moral and ethical judgments linked with right or wrong action – mistaken belief our value is determined by how many "good" things happen in our life – mistaken belief that if I achieve something great, or I am really good at something, and can please God on a high level by attaining perfection; I will receive an additional reward, or a pay-out will occur - there is no additional reward for being perfect or being a giver – Saturn complexes intend to teach us about self-love – that we are our own inner authority – we are author of our own lives – it helps to ask the questions that will help you define your life – Saturn might say: Be the labor great or small Do it well or not at all Once a task has begun Never leave it till its done. |
| Transits last about nine months | cycles of maturation – snake shedding its skin - time to take responsibility for your dharma - for what works and what doesn't work – time to make some kind of decision – growth, change, evolution through limitations and boundaries - redefinition of self – redefining who you are in accordance with your life intent - must be willing to discard or change what doesn't work - forces a person to pay attention – to focus - to grow up in some way - to take responsibility for being informed – then hard work or focused attention on a goal pays off if in alignment with our soul's |
